Quilt Show Set Up-Thursday, August 10 8:00 a.m.
Quilt Show Friday and Saturday, August 11 & 12

Liz Hemberry, President

Summer has finally arrived and the temps are starting to creep up. Perfect time to stay inside where it's nice and cool and get some quilting done. The Quilt Show is coming up fast and will be here before we know it. Quilt registrations are due by July 5th. The form is on the NCWQG website. Get your registration to Linda Riesterer; her information is on the form.

The quilt show takes a whole village to make it happen. We have a fantastic group organizing the show and their expertise in making it happen is invaluable. But it takes so much more to make it successful. If you were unable to sign up for a committee or two, please think about how you can help. We have one more meeting before the show and will welcome more volunteers.

I'm excited about getting workshops going again. Hopefully you had a chance to talk with Cassie at the meeting to let her know what you would be interested in learning, or if you have a class you would like to teach. The Area 51 group will work on making it happen.

I've learned so much about a few of our members at the last few meetings. Thank you Leslie Allen, Linda Riesterer and Geraldine Warner for sharing your beautiful quilts and the stories behind what makes them happen.

Hope to see everyone at the July 27th meeting!

Programs (Kawandi Round Robin)

July: Local Quilt Shop Intro-Leavenworth Quilt Co. & Sew Creative
August: To be announced
September: Michelle Bartholomew, English Paper Piecing
October: Possible Long-armer's Round Robin Panel
November: Raffle quilt awarding and the rest to be announced

Quilt Show, Louise Brown

It's been 4 years since our last quilt show and more than ever we need your help. Our membership is struggling to get back to normal since the pandemic. At last count we have 199 quilt entries. In the past we have had between 250 and 300. The **entry deadline has been extended** to postmark by July 5th. The following committees need your help. If you are unable to make it to a meeting to sign up, please contact the chairman if you can help.

Set up starts Thursday morning August 10th at 8:00 am. At that time we will be unloading, wiping down the frames (they are very dusty!!) and laying them out on the chalked setup guide on the floor. Next the poles will be set up with the drapes. After the poles are set up the quilt bundles will be delivered to their designated area determined by the tag attached. The quilts will then be hung.

There will be an information table please check in when you arrive

Guest Artist: Lesley Allan is our guild guest artist. Lesley gave an outstanding presentation at our June meeting introducing 25 of her creations that will be at the show. It was great to learn the story behind each piece-and the back stories made the creations mean even more!

Publicity: We are going to concentrate on Social Media to get the word out about the show. We need your help to spread the word about our upcoming quilt show! There are about 6 weeks until our show and we would love for you to post on social media (if you have a social media account such as Facebook or Instagram) a few times leading up to the show.

Instructions on what and how to use your social media accounts to advertise our show are attached separate from the newsletter. Please see the attachments sent along with the newsletter. If you have questions please e-mail Thea Gyde at altheagyde@gmail.com . Please note, if you respond to the newsletter with questions about how to use social media, you will not get a response (editor does not and cannot answer questions about this process)

Boutique: If you are interested in selling handmade quilt related items please contact Rebecca McFann, mcfannr@gmail.com. This is the place to sell any hand-made items related to quilts and fiber arts. If you have any questions about what can be in the market, contact Becky. We need to fill our market. It is a great opportunity to make a bit of play money to restock your fabric and fiber addiction!

Challenge 2023: We actually have 2 challenges you could enter this year. Our original challenge “Urban Nature” and because many people lost track of their Urban Nature packet we added a second challenge, “Stars”. Any star, any size fabric from your stash or someone else’s.

Silent Auction. Our silent auction theme this year is “America the Beautiful”. If you were asked to participate in this year’s Silent Auction and have not been in touch with Donna Rankin, would you please do so. torankins@gmail.com.

Raffle Tickets: Raffle tickets are available to be picked up at our meetings or contact Terry Murphy, murphy_6279@msn.com. We encourage all members to sell (or buy yourself) at least 1 book of 25 tickets. The raffle quilt is beautiful.

Kathy Baker, Membership

Please visit Kathy Baker or Barb Dunn at the membership desk at our meetings if you have any membership questions. New members are always welcomed and renewals are always accepted. Thank you Kathy and Barb for an excellent job well done!

Comfort Quilts, Sue Nash

The community definitely benefits from the generosity and creativity of our members! Recipients in 2023 so far include Central WA Hospital (newborns, pediatrics, and palliative care), Leavenworth Rehabilitation Center, Confluence Radiology Oncology, Cancer Care Our House, The Bunker (veterans), CASA (foster kids), Women's Resource Center, Grace House, Wenatchee Rescue Mission, Mobile Meals, and Chief for a Day.

Thanks go to Diane Mitchell for setting up two SEW-IN days where many members came together at the Douglas County PUD to work on charity quilts. Watch for more dates every other month or so. We will have fabric, project ideas, and things in process to work on, or you can certainly bring your own project.

Suggested sizes for donation quilts:

Newborn	24" x 36"- Quilted or simply flannel or gauze
Baby/Toddler	36" to 45" square, or crib sized 30-36" x 46-50".
Wheel Chair	35" x 46"
Palliative Care	40" x 60" (these vary quite a bit; 50" square also works well.
Twin	60" x 80"
Placemats	12-14" x 16-20"

We have quite a few sets of coordinated fabrics that you may use to make donation quilts, as well as backing fabrics and batting by the roll. Give us a call if you have a need for those supplies. Also, let us know if you see a need in our community for quilts, fleece blankets, pillow cases, etc. We do keep a supply in storage to fill immediate requests.

Round Robins, Nancy Straub

Out To Lunch Bunch (Round Robin). This RR is a social group designed to get to know others in the guild. It is open to all members and is basically unlimited in possible numbers. We will explore different eating establishments in and around Wenatchee (and the larger Valley if chosen). This is an informal group in that we will decide each month on the next spot, but will aim for the second Tuesday each month. **It is super important that we know how many people want to join us each month. Please email Kari Black at Ludlowlady59@gmail.com or text her at 425-387-1096.**

We had 14 people participate in the June OTLB. Over half the participants rode the bus to Cashmere where we met at Mile Post 111 Brewery. We were seated in their outdoor room and Gil was our fabulous waiter. Our meals were delivered quickly and everyone reported they enjoyed the outing. The food was a bit pricey, but the free bus trip was pleasant, quick, easy and helped make up for the bill.

The July OTLB will be on July 11, 2023 at Iwa Sushi, 8 N Wenatchee Avenue. We have reservations for 11:30 a.m. Please let Kari Black know if you are coming and when you get there, be sure to let the restaurant know you are with the quilt guild-we have the back area reserved. Individual tickets are allowed. This is a different location than previously mentioned. Highlander Golf will be later this summer.

Workshops, Coordinated by Area 51 Round Robin

Workshops are a deeply missed part of our guild. We have been trying to get someone to take over the coordination all year without success. So, as many of our other activities, a round robin has taken on the challenge of coordinating upcoming workshops. A group makes the load a bit lighter.

At our June meeting, we had a sign-up sheet for several different topics which had been suggested for workshops, with additional ideas submitted as well. Signing up for the topics didn't commit anyone, but just let us know what and who might be interested in participating and/or teaching.

We ended up with 11 topics:

Workshop Technique	Number of interested people	Instructor(s)
Applique	12 people	4 instructors
Feather Star	11 people	Jill Therriault
Curved Piecing	8 people	Instructor needed
Pineapple	13 people	Instructor needed
Fabric Color Manipulation	7 people	Cassie Black & Nancy Straub

Beading	9 people	Linda Riesterer
Project Fabric Choices	5 people	Jill Terriault
Paper Piecing (Eng & Found)	3	Linda Riesterer
Hunter Star	1	Bobbie Schaller
Improv for Modern Quilters	New topic	Lesley Allan
Fabric Waste Basket	New topic	Althea Gyde possible

There was great interest in having a Saturday or Sunday workshop and some people who head South for the winter wanted to get in a workshop or two before flying the coop.

The first workshop will be in August after the quilt show. Details and topics to be announced later. If you are interested in any of these topics and/or have ideas for other workshops, please let Cassie Black know. Her email is rubyjewel94@gmail.com. Those who signed the list will be contacted by email with further details when the class is actually scheduled. Thank you for those who signed up. We were all impressed with the interest.

Historian, Kari Black

For the year 1986. Sherry Hawkins was President with Chris Murren V. Pres., Kathy Koos, Sec. Membership listed 3 new members, bringing the total to 62. Included in the newsletter were 2 quilt patterns, "Heart to Quilt" for Valentines Day and "Bear Paw", an Amish pattern from 1920. In August another pattern, "54 – 40 or Fight" was included.

The Quilt Show took place in November. Guild purchased new quilt frames at a cost of \$1,081. That month another quilt pattern was included in the newsletter called “Castles in the Air”. There were also several patterns for appliqued tree trimmings for a snowman, a stocking and a gingerbread man.

History taken from minutes and newsletters on file.

Guild Property

Attention each and every member. In preparation for the upcoming quilt show (see below), we are trying to gather or at least locate all signage, display, property belonging to the guild. Since it has been a while (thank you COVID) since we’ve had a show, things have gotten lost. And, since many people spent their isolation periods cleaning, organizing, sorting garages and sewing rooms, things have been “put somewhere safe for later”. Now it is time to start gathering our supplies for the show so we can inventory what we have and what we need to replace. If you have found something belonging to the guild in regards to the quilt show, please contact Cassie Black, rubyjewel94@gmail.com and let her know what you’ve got. This is important as we need time to order if we need something. Thank you in advance for making this a priority. The show will be here before we know!

Project Suggestion:

Kathy Keagle submitted this item. I was just contacted by 2Sew dresses for girls. This organization is in the Seattle area and they make simple dresses for African girls. They take any cotton fabric regardless of size. If anyone wants to donate to this organization, let me know. Rosie of the organization will collect them in August/September. I’ve offered to be point collector for this. Please contact me for more details. This is not a fabric sale size effort. Kathy Keagle 253-468-4062.

Apple Blossom Parade Squad:

Below are a few photos of the group who bravely and generously participated in the 2023 Apple Blossom Parade. A great time was had by all. We are planning on participating in 2024. Thank you Susan McWilliams for taking the shots and submitting them.
