## Who We Are

The purpose of this organization is:

- to preserve and continue the traditions, culture and history of quilting;
- to contribute to the knowledge of and to promote the appreciation of the art of quilt making;
- to sponsor and support quilting activities by exhibitions, lectures and workshops offered to the general public;
- to encourage quilt making and collecting.

## Guild Activities

### Quilt Show

The annual Harvest of Quilts, held every September, is the Guild's biggest event of the year. The two-day show is an opportunity to display the work of the Guild's members to the community.

### Retreats

Retreats are held yearly, in the spring and fall, generally May and November. These three-day weekend retreats are the perfect opportunity to get away and spend quality time with your sewing machine and quilting buddies!

### Round Robins

These are smaller groups - mini-guilds, if you will - that meet on a regular basis to sew together. Each group decides their own schedule, projects, etc.

### Comfort Quilts

NCWQG makes quilts as gifts of friendship or comfort for others in the community. Comfort quilts may also be given to a non-profit community group to use as fundraiser. Many organizations in the Valley have been and are beneficiaries of these quilts.

### Block of the Month

At each general meeting, a block pattern is offered for members to pick up and complete before the next meeting. Turning in a block entitles the maker to entry in a drawing for the all the completed blocks.
