*From the President,
Linda Riesterer*

Once again, we have completed another very successful quilt show. I am continually impressed with the talent we have in our Guild. I think this is due in great part to the spirit of sharing and helpfulness of our members. As we have successes and get more skilled we share these with others and thereby raise the talent level of the whole group. I am so happy to be associated with the wonderful people in our Guild!

Long Arm Quilter

As we come nearer to the end of our year, I want to take this opportunity to thank all the people who have stepped up to take on offices and jobs during my 2 years as Guild president. I especially want to thank the program committee (Debby Phillips, Kathy Weyenberg, and Sandy Tiedeman) for providing stimulating and entertaining programs and making coming to Guild meetings both fun and informative. The workshop committee (Carolyn Sprout, Pat Lannoye, and Liz Hembery) has also provided us with opportunities to learn new techniques and refine our skills. When you see these ladies, please thank them.

Quilt Show:

My thanks to all for making the 2016 quilt show a huge success! We had a wonderful guest artist, Kay Hall, whose works were exquisite. With over 300 quilts and the auction quilts, our guests had a trip through our show that was most enjoyable. Our vendors added the ability to purchase more fabric so everyone could repeat this next year!

All committee members and everyone who volunteered to work all those hours deserve a huge thank you for all they did to make this show a success.

A big thank you to all our sponsors.
Again, for all your help, I thank you!

Very sincerely, Terry Murphy, Chair

From Linda Riesterer ~ ~ ~ Calling all wool enthusiasts !

We are planning the raffle quilt for 2018 and have chosen a wool appliqué project using the Summertime Sampler pattern by Erica Kaprow. There are 12 blocks plus a border and we are looking for experienced wool workers to make 1 block each. The wool will be in kits and appliquéd to a cotton background. There will be a meeting to pass out the kits and discuss standardization of methods on December 5th, 12:00-2:00 at Andrew's Sew and Vac. The blocks must be completed by the end of January. If you are interested in being involved in the 2018 raffle quilt, let Barbara Vincent know at the October Guild meeting.

Sew, What's happening in November?

What? ~ ~ ~ Zippered Pouches
When? ~ ~ ~ Thursday, November 17th
What Time? ~ ~ (TBA) To be announced
How Much? ~ ~ \$30.00 (optional—Additional \$15 for the kit)
Where? ~ ~ ~ TBA
Anything else? Jody will be our program for the November Guild Meeting on Wed., November 16th. The workshop will be the next day. The workshop committee would like everyone to start thinking about this and get it on your calendar before your calendar gets too full.

The class will be a two part class. The first part is sewing a zippered pouch or cross-body purse. The second part is a computer process to learn how to edit your photographs or art-work to make mini fabric panels. The price for both is \$30 per person. Plus if you want her kit for the sewing part it will be an additional \$15.00.

I'm sure you will have more questions and we can get the answers from Jody in the next few weeks so you will know for sure if you want to sign up for the class by the October Guild Meeting. I will have an early sign up sheet at the meetings. The supply list is based on you buying her kit that has everything in it by the thread. Jody also has fabric art panels for sale!

Notes From the Librarian, Sharon Paine

Looking for ideas for Christmas projects and gifts, take a look at the quilt guild's library. You will find many ideas for small projects that you can quickly finish. It is never too early to think about Christmas gifts. The NCW Quilt Guild has a library located in a cabinet in Andrew's Sew and Vac. To see what is available, go to:

<http://www.librarything.com/> Log in as: ncwquiltguild Password: fatquarter14

Choose the Your Books tab which will pull up the books in the library. You browse through the title or you can do a search.

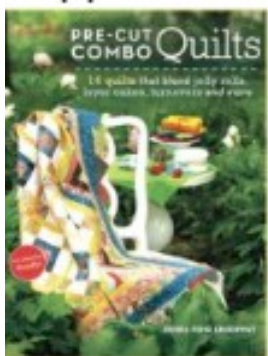

To Search: Type search terms into Search Your Library box Click on Search You will get a list. Click on title to see details, summary, and reviews.

To check out a book, e-mail request to: paine.s@applecapital.net or call 663-4006. I will bring the book to the next meeting. If you find a book to check out from the cabinet, write your name, phone number, and the date on the card in the front of the book. Leave the card in the envelope attached to the book return box. You can return the book to the box in the cabinet or bring it to a monthly meeting. Don't worry about replacing the card, I will do that. If you know a book you think might be a good addition to the library, let Sharon know.

New Books: *Quilting with a Modern Slant: People, Patterns, and Techniques Inspiring the Modern Quilt Community* by Rachel May

This is a book not only about quilting, but about the quilters who produce some beautifully designed and implemented quilts. There are profiles on many quilters which allow us to see a little bit about what is going on inside their heads and inside their workrooms. The photography is outstanding and shows the quilts in stark relief allowing them to be appreciated fully. There are also a number of projects within the pages that appear well set out and easy to follow.

Pre-Cut Combo Quilts: 14 Quilts That Blend Jelly Rolls, Layer Cakes, Turnovers and More by Debra Greenway.

Discover a world of exciting design possibilities by blending different types and sizes of pre-cut fabrics to create stunning quilts in less time. With instructions for 14 quilts and 5 variations, you'll be inspired to start sewing with your favorite fabric lines and pre-cut stash. As a bonus, each pattern is also fat quarter friendly, featuring instructions on how to use fat quarters instead of pre-cut fabrics.

Comfort Quilts

The Comfort Corner

These past six years have been very rewarding for Kathy and I as we have put on numerous sew-ins, made up kits for our members to sew as well as the kits for the quilters to finish the many tops donated to the guild.

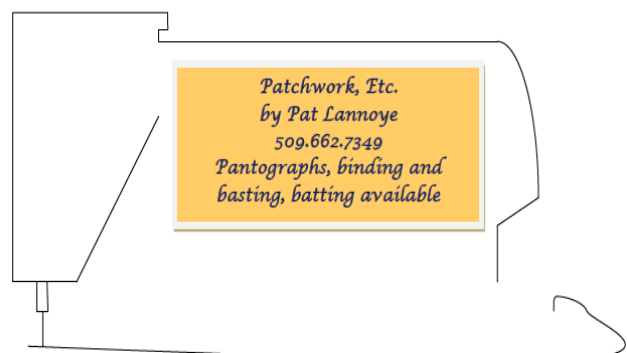

With you, our very generous guild members, we have been able to make and donate beautiful quilts to many very needy and de4serving recipients.

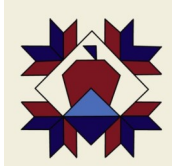

During this tie hundreds of quilts have been given to CWH Palliative Care, The Wellness Center, Our House, the Women's Resource Center, Parkside Apartments, Habitat for Humanity, Washington State Patrol, Literacy Council, the Wenatchee Museum, Samara's Foundation for the Blind and Visually Impaired, Performing Arts Center, Chief for a Day Program, The Lighthouse, Grace House, CWH Pediatrics, CASA, Mobile Meals, Young Life, Women's Veteran Association, Royal Family Kid's Camp of Chelan & Douglas Counties. In addition, along with many, many quilts for the individuals who survived the devastating fires in the Wenatchee and Okanogan Region in the past few years, including the firefighters who gave their lives extinguishing those fires. Besides those very deserving organizations, the guild has given countless number of quilts to individuals who have made requests for family members or friends who have been medically, physically or emotionally in need of an act of comfort.

We also wish to thank the dozens of guild members who have cut, sewn, quilted and bound quilts in order to keep this program a focus of the NCW Quilt Guild. In November we will be passing the baton and wishing a fun and successful venture to the new Community Quilt Committee!

Respectfully,

Debra Egan & Kathy Keagle
